7. (Internal Use Only - PLC) [REDACTED] OBGI/DDI, STATINTL  
called in response to a call [REDACTED] had made to his office on Friday, STATINTL  
afternoon to advise that his office had no objection to the report prepared  
by the Law of the Sea Task Force in response to the questions raised by  
the Senate Committee on Commerce following the testimony of  
[REDACTED] (head of Task Force). (See Journal Item #3, 5 April 1974.)

8. (Internal Use Only - LLM) [REDACTED] and I attended the STATINTL  
biweekly briefing of the Lucien N. Nedzi (D., Mich.) Intelligence Subcommittee  
with Messrs. Walsh and [REDACTED]  
memorandum for the details.) Because of the press or other Committee  
business, only Nedzi and William G. Bray (R., Ind.) members, and  
Frank M. Slatinshek and William H. Hogan, Jr., staff, attended. About 55  
of the 75 minutes were devoted to [REDACTED] briefing on the Soviet STATINTL  
Politburo. Although pressured by Nedzi and Slatinshek on the military  
orientation of the Soviets, [REDACTED] held to a balanced presentation. The format  
of the briefing worked extremely well, leading to lively exchanges, and  
Nedzi concluding that he learned a lot. Two questions by Nedzi outside of  
the substantive intelligence field were: 1) What is happening to Vang Pao's  
forces? [REDACTED] and I answered); and, 2) What is the Agency doing in  
Cambodia, later enlarged to Indochina? (taken as a question for follow-up).  
In using these briefings to gain insight into the workings of the intelligence  
community, Nedzi asked who the contributors were to a particular piece  
of substantive intelligence.

9. (Internal Use Only - RJK) Delivered to the offices of Senators  
Edward M. Kennedy (D., Mass.), Henry M. Jackson (D., Wash.), Mike

10. (Internal Use Only - RJK) Delivered to George Murphy, Deputy  
Director, Joint Committee on Atomic Energy staff, one copy of the transcript  
of [REDACTED] 5 March testimony before Senator Baker's group.
